Pricing and profitability in the spotlight</p> <ul style="list-style-type: none"> - Balancing investment in tech with profitability - Alternative fee arrangements – how is AI impacting your clients’ interest in value pricing? - Giving lawyers the confidence to price by value <p>8. People versus tech</p> <ul style="list-style-type: none"> - The human role in building trust - Balancing technology with a personalised client experience - How can tech underpin a deeper understanding of client needs? <p>9. Re-thinking risk</p> <ul style="list-style-type: none"> - Staying ahead of regulatory changes while embracing new technologies - Approaches to business planning in a volatile and uncertain environment - Cyber risk considerations
11:30 – 11:50	COFFEE BREAK
11:50 – 12:20	DISCUSSION SESSION QUICKFIRE FEEDBACK: CHANGE TRANSFORMATION
12:20 – 12:50	<p>KEYNOTE: USING AI AND TECH TO DELIVER COMMERCIAL VALUE</p> <p>As AI and tech increasingly frees up lawyers to focus on more complex and strategic work, there is a growing client pressure for firms to pass on savings and align pricing to value delivered, rather than hours worked. How, then, can firms balance the benefits of AI and tech to drive commercial value and what are the pricing models that will deliver this? Our expert speaker will consider all this, plus how parallel industries have achieved commercial value, and what law firms can learn from them.</p> <p><i>Rob McCargow, technology impact leader, PwC</i></p>
12:50 – 13:40	LUNCH BREAK
13:40 – 14:10	SUCCESS STUDY: A real-world example of implementing game-changing technology
14:10 – 14:40	SUCCESS STUDY: Delivering transformation in a law firm
14:40 – 15:00	COFFEE BREAK

Briefing LIVE 2025

Thursday 20 March, Underwood Lofts

<p>15:00 – 15:45</p>	<p>PANEL: Shaping teams and functions for cross functional legal firms of the future</p> <p>Cross functional teams are becoming vital as firms navigate increasingly complex, global client needs, and can drive profitability through closer client partnerships. What will the optimum cross-functional team look like in five years’ time? What are the functions and skillsets needed to adapt to a new world of business? How will all this impact law firm culture and the next generation of lawyers?</p> <ul style="list-style-type: none"> - Collaboration – they key to cross functional teams? - The impact of technology and AI on wider teams beyond fee-earners - The multidisciplinary workforce – now and next? - The impact of hybrid working on culture, collaboration and Gen Z - How do other industries put together multi-functional teams? <p><i>Claire Stripp, head of talent and knowledge, Browne Jacobson</i></p>
<p>15:45 – 16:15</p>	<p>CLOSING KEYNOTE:</p> <p>Sarah Furness spent 20 years as an RAF helicopter pilot. As a Squadron Leader she led on operational combat tours in Iraq and Afghanistan and was the first female helicopter pilot to fly and lead UK Special Forces missions in Iraq. Through her experiences as a combat operational commander, helicopter pilot and qualified mindfulness practitioner/coach Sarah has developed a unique formula to train the mind to embrace the mistakes we all make, leverage a growth mindset culture and be a Jedi master under pressure.</p> <p><i>Sarah Furness, former RAF combat helicopter pilot and motivational speaker</i></p>
<p>16:15 - 16:25</p>	<p>CLOSING AND THANKS</p> <p><i>Richard Brent, head of content, Briefing</i></p>
<p>16:30 onwards</p>	<p>DRINKS RECEPTION</p>
